

ALL ABOUT A NEW JERSEY _____ FARM

Brainstorm ideas and record them in the first two boxes of the following graphic organizer *before* watching the video. Fill in the third box *after* the video. Analyze your information using these questions: 1) Did you learn the answers for the things you wanted to know? 2) Did the things you knew prove to be correct? 3) Was any of the information unexpected?

What I know

What I want to know

What I learned from the video
