The New Jersey Agricultural Society, a 501 C (3) non-profit, is the oldest agricultural organization of its type in the nation. Its mission is to preserve and enhance agriculture, farming and related activities and businesses in New Jersey through educational, informational, and promotional programs.

Membership supports our three programs:

Collecting fresh produce from farms, groceries and wholesalers and delivering to those in need through community organizations

Providing K-5 schools with financial, educational and agricultural resources to create school gardens

Providing educational programming for individuals involved in farming and agribusiness to become informed, articulate leaders
