

Pumpkin Pie in a Bag Recipe

*A recipe from the New Jersey Agricultural Society's
Learning Through Gardening program*

Pour 1 1/3 cups of cold milk and 2 to 4 boxes of vanilla pudding into a gallon size ziplock bag. Remove air.

Have the children squeeze and knead the bag until ingredients are mixed or until everyone has a turn.

Add one 15 oz. can of pumpkin, 1 teaspoon cinnamon, and 1/2 teaspoon ginger. Remove air, shut the bag, and knead again until blended or everyone has a turn. Remove air, shut the bag, and knead again until blended. Set aside.

Put graham crackers into another ziplock bag and ask students to crush them. Give each child a small paper cup. Have them put 1-2 tablespoons of crushed graham crackers into the cup.

Spoon some pumpkin/pudding mix into the cup on top of the crackers. Put a dollop of whipped cream on top.

High quality ziplock bags are recommended for this recipe.
