

FARMERS AGAINST HUNGER

OUR MISSION

The New Jersey Agricultural Society (NJAS) works to preserve and enhance agriculture, farming, and related activities and businesses in New Jersey through educational, informative and promotional programs.

Through that, Farmers Against Hunger's mission is to reduce food waste by helping farmers and wholesalers throughout NJ share their surplus produce with those in need; and reduce food insecurity by increasing access to fresh healthy produce across the state.

HOW TO HELP IF YOU ARE A FARM

- Have our phone number close by for when a surplus of produce pops-up - we will be there that day or the next to come rescue the food.
- Let us know the exact day and time you would like a gleaning or direct produce pick-up.
- Ask about hosting a Farm Jar in 2024!
- Spread the word if you do work with us, and become a New Jersey Agricultural Society member.
- We are always here to help! Call, text or email our FAH staff for any request, feedback, or questions.

*FOOD SECURITY BEGINS
WITH FARMERS!*

Thanks to our network of farmers and volunteers Farmers Against Hunger was able to glean 500,000 lbs. of fresh produce in 2023, distribute 1.4 million pounds of food to neighbors throughout the state and partner with hunger relief organizations, churches, and community groups in NJ to serve over 8,000 families each week.
